A. They will pay back wages of \$765,362.38 to the people named in Exhibit A; the overtime amounts of \$708,077.41 are due for the annual bonus paid in February 2009 and the overtime amounts of \$57,284.97 are due for the annual bonus paid in February 2010.

- B. By September 30, 2011, the defendants must have made reasonably diligent efforts to locate and tender the people the back wages due; they may deduct the legally or contractually required amounts.
 - C. By December 1, 2011, the defendants must deliver to the Secretary: (a) a report of their efforts to locate the people whom they have not paid; (b) a payroll statement with written verification that the people who were found have been paid; and (c) copies of all receipts signed by the people listed on Exhibit A who received a payment of \$20 or more.
 - D. By January 6, 2012, the defendants will deliver to the Secretary funds payable to Department of Labor - Wage and Hour Division of the amount due all people who have not been located or refused to accept payment or otherwise have not been paid. The Secretary will attempt to locate the remaining people for three years. Funds that have not been distributed because the Secretary could not locate the payees or because of their refusal to accept the money must be deposited with the Treasurer of the United States by January 8, 2015. By January 15, 2015, the Secretary must report to the court that the remaining funds have been deposited.
- 3. The defendants' employees who are not named in Exhibit A to the consent judgment or Exhibit A to the complaint retain their ability to sue the defendants. If they sue over the exclusion of non-discretionary bonuses, including annual program bonuses, in their regular rate of pay, the limitations period has been tolled from February 4, 2009, to February 5, 2010.
 - 4. For the non-listed employees, the filing of this action and this judgment does not prejudice their or the Secretary's ability to bring an action under the Act for violations after February 5, 2010.
 - 5. This judgment does not affect the action brought in Oregon by William Spackman under Section 16(b) before February 4, 2011.

6. The parties bear their attorney's fees, costs, and other expenses, including those under the Equal Access to Justice Act.

Signed on July 28, 2011, at Houston, Texas.
